## DETAILED ACTION

### *Allowable Subject Matter*

1. Claims 1-12 are allowed.
2. The following is an examiner's statement of reasons for allowance: The allowed claims differ only in obvious ways from US patent US006674995B1 by the inventors, and an acceptable terminal disclaimer has been filed.
3. The following is an examiner's statement of reasons for allowance: the closest prior art, Luna (US005324028A) in view of Fennell, Jr., et al. (US005695400A), does not teach or suggest game points being scored by forwarding messages containing a virtual ball. This applies to all the independent claims 1, 5 and 9. Both the closest foreign patent prior art, JP 11057144 A, and the closest non-patent prior art, USA.Net (*Advertising Age*, August 1999), teach the granting of incentives, which would suggest the awarding of points, for forwarding e-mail messages. However, the prior art does not teach of suggest the combination of either JP 11057144 A or USA.Net with Luna and Fennell, Jr., et al.
4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
